

Caring for Someone with an Addiction

Are you an unwaged carer living in Manchester and caring for someone with an addiction? Here is a summary of specialist support you can access.

DrugFAM supports families, friends and partners affected by someone else's drug, alcohol or gambling problems, and anyone bereaved by addiction.

They provide one-to-one support (via email, phone and Zoom) to family members, friends and carers to enable them to cope better with their situation, regain control of their lives and look after their own wellbeing. They also run virtual support groups.
