If you look after someone in Manchester, Carers Manchester is here to help you access the support and advice you need.

Carers Manchester is a group of local organisations, working together to improve services for Manchester's unpaid carers.

Our Contact Point acts as a first point of contact for all unpaid carers in the Manchester City Council area, who require advice and support.

You can contact us for information on:

Your rights as a carer

Carers assessments

Benefits and financial advice

Peer support, workshops and events for carers

Support to meet the needs of older carers, young adult carers (16 – 25) and parent carers

Carers can contact us on our website, on our Contact Point helpline (Monday – Friday 10am – 4pm except bank holidays, and 10am – 6pm on Wednesdays), email and Facebook messenger.

Carers Manchester Contact Point is delivered through a partnership of Gaddum, LMCP Care Link, Manchester Carers Forum and Wai Yin Society.
